## School & Youth Group Scholarship Application

*Revised 5.22.18*

*Canyonlands Field Institute believes that everyone deserves access to quality environmental education. We are committed to making our programs accessible and in doing so have created a scholarship fund especially for public/Indian Reservation schools. The Fund balance, generated each year by CFI donations and general support grants, provides total amount of underwriting that can be granted in a school year.*

*CFI now uses a tiered approach for “discounting” off the printed rack rates for our school programs. This approach is used by a number of outdoor education centers and is based upon the federal “Free and Reduced Lunch” program annual rating for a **public school as a whole (not based on students in your field trip group.)** See current rates & discounts on our website. Parochial and non profit youth groups may apply using information on particular scholarship programs and populations served at their organizations.*

School/Group Name: \_\_\_\_\_ Date of Application: \_\_\_\_\_

Grade(s): \_\_\_\_\_

Teacher: \_\_\_\_\_ email: \_\_\_\_\_

Teacher phone: \_\_\_\_\_

Business manager or principal: \_\_\_\_\_ email: \_\_\_\_\_

Business manager phone: \_\_\_\_\_
