Explorer Basecamp takes place at Warner Campground in the La Sal Mountains. We may be hiking, spending time at camp, and playing games, and swimming. You never know what can happen, so as a general rule, please do not bring anything new or fancy that you aren’t willing to get dirty or lose!

Pro Tip...gear management

We recommend bringing some clothing exclusively for active day time, and other clothing exclusively for camp down time and sleeping. Once you make camp, you can hang your daytime clothes on a line so that they are dry and ready for you the next day. Dividing your clothes will go a long way to promoting personal hygiene.

We are excited to see you soon!!
